Class Sponsors

The fall officers for the Sophomores were, left to right: Venna Pitcher, Girls' League Representative; Phil Ballis, President; Stephannie Webber, Vice-President; and Joe Miguel, Secretary. Their main job is to organize their class and begin money making activities.

Sophomores are usually open to a lot of ridicule because they are the babies, but this year's Sophomore class has more spirit than many past Sophomore classes. This was proved by their several bottle drives and their patriotism by painting our garbage cans red and blue. Their campaign to clean up the campus is a good one, maybe the other classes will take hint and help.

Let's hope their spirit doesn't drag and they turn out to be the best class in San Leandro history.

The spring officers for the Sophomore class are, left to right: Nancy Salsedo, Secretary; Gail Garrison, Girls' League Representative; Bruce Johnson, President; and Sue Miller, Vice-President. The main job for the Sophomore class this Spring is planning for the Sophomore Hop.

The most popular sport at San Leandro High School is football. This year the Pirates started off slow by losing to Richmond. But they came back by winning smashing victories over Encinal, DeAnza, Berkeley, and Pacific. Although the Pirates did not have a winning season they never gave up and gave San Leandro students plenty of exciting games to see.

GUYS FOR DOLLS

Ardith Gordon and her date, Randy Pratt, admire the romantic Paris cafe.

The theme of the Fall G.A.B. Dance was "Twilight Fantasy." Corner decorations pictured twilight scenes of several world famous cities. Among them were New York, Venice, and Paris. The music, played by "The Unknowns," really kept everyone busy out on the dance floor. Enjoyed by all, the dance was a terrific success.

Ready for their gondola ride are Dee Robles and her date, Larry Dalrymple and Martha Robinson and her date, Les Wisler.

Students enjoy twisting at the Fall G.A.B.

A NEW TRADITION

This year for the first time, San Leandro High had Homecoming Day. It featured a football game with Harry Ells and the crowning of our Sports Queen and Attendants.

It's a big moment for Debbie Battistini when she is crowned by Bob Foderaro and Gary Stepansky.

Excited students enter football field to watch the game.

The fall officers for the Junior class were, left to right: Lonna Miller, Vice-President; Ron Hart, President; Kathy Young, Secretary. The main job of the class board was to plan their Junior Prom and the other sales they had this year.

The members of the Junior class have been very busy this year raising money for their Senior year. They plan to have a car wash and a powder puff football game to start off their Senior activities. The many activities they are planning for this year and next should keep them very busy. Their Junior Prom, White Spring, was held in January. The theme was carried out with beautiful decorations to signify spring and winter. Good luck to the Junior class next year when they become San Leandro High's High and Mighties.

The officers for the Spring class board are, left to right: Lonna Miller, Vice-President; Howard Auge, President; and Dana Johnson, Girls' League Representative. The main job of the Spring Class Board is making money for their Senior year.

GRADUATES

Class of June '63

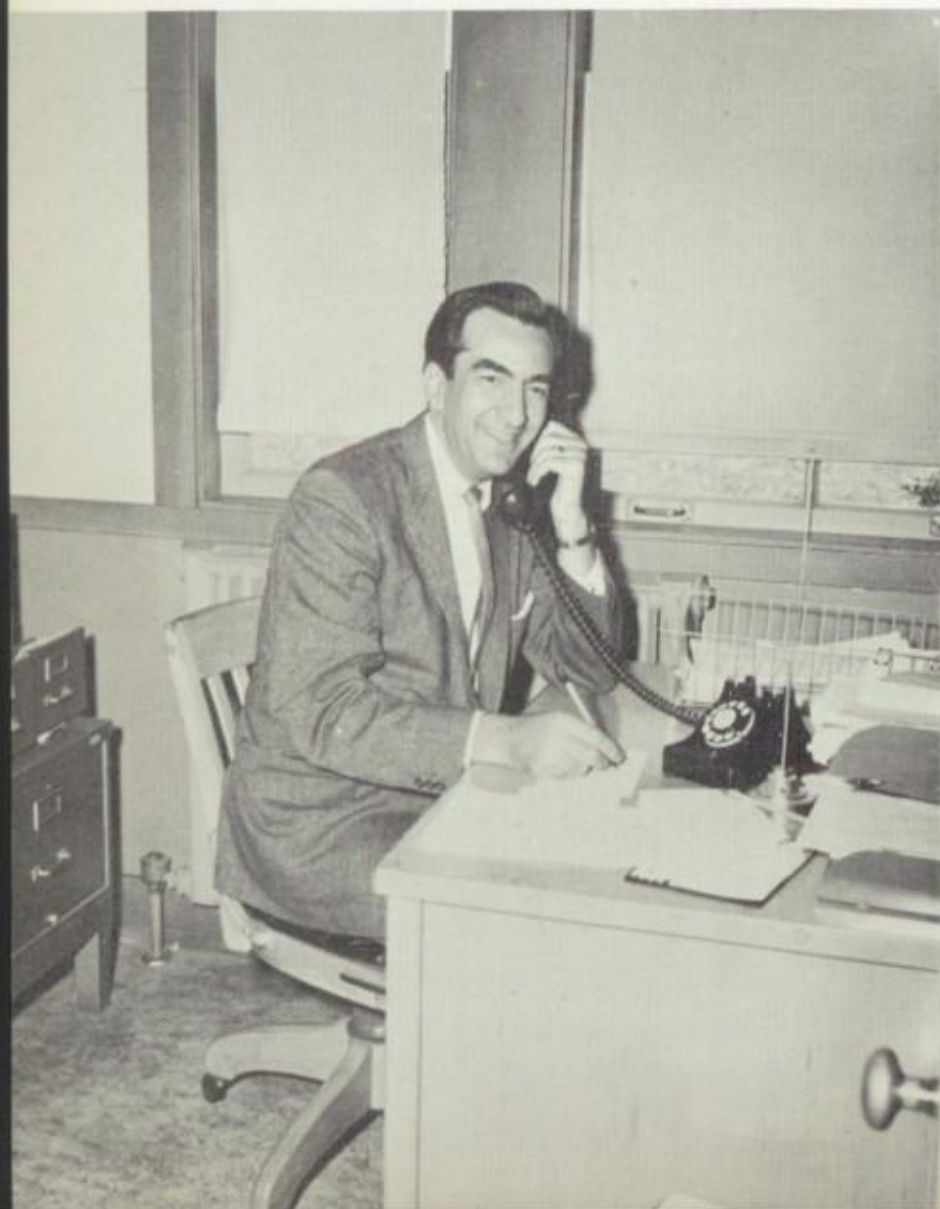

Upon entering San Leandro High School in the fall of 1960 our class promised to make an outstanding career for itself in its three years. Ron Cockrell and Steve Dalrymple headed our class as sophomores and along with the usual money-making projects we presented "Mardi Gras" as the theme of our successful soph hop.

Our Junior Prom, under the Chairmanship of Marsha Guerrero, was "Blue April." All the decorations were carried out in accordance with the theme, even down to the never-to-be-forgotten blue punch. Dave Howell, as Fall President, and John Carr, as Spring President, continued to lead our class through a maze of money-raising projects. Proud of our class at all levels, we held several high spirited breakfasts at Jerry's. The last of our Junior year, with many trials and memories of lowerclassmanhood behind us, we stayed around school and signed yearbooks with a feeling of real togetherness and anticipation for an exciting year ahead.

Mr. Jack Hillis

Mr. Samuel Levine

As September rolled around and we entered again into the ole' SLHS halls for the last year, we assumed the coveted title of SENIOR for the entire year having no high senior class above us. John Carr was again our class President and led us through our last semester as a money-making class. Our last big money-making event and most successful one was our Senior Play "Once Upon A Peach Pit," written by Sharon Turner and Randy Pratt and successfully directed by Randy. The hard working cast presented two evening performances of a hilarious and cleverly produced show. Dave Howell headed our High Senior class and we vigorously set in to make plans for our last long-awaited Senior activities. As the richest class to graduate from SLHS, it was indeed an enchanted evening when we had our Senior Ball "Some Enchanted Evening" under the chairmanship of Sandee Scott.

It was with sadness that we received our diplomas the night of graduation, and yet we knew that the friendships we had made and the experiences we had gained in our three years were a sound basis for our future years. It is with sincere gratitude that we dedicate this Senior Section to Mr. Hillis and Mr. Levine for their untiring devotion as our ever-helpful counselors.

Pictured on this page are the two Senior Havens enjoyed by the graduating class. Seniors enjoy the privilege of having their own lunch tables (left) and their own bench and lawn (below). Both of these places are for Seniors only and lowerclassmen are given citations for trespassing. The Senior Traditions of having an assembly, picnic and a ball are only a few of the joys of being a "high and mighty." The graduating class of June '63 is the first class to enjoy these privileges for an entire year.

desafinado

The theme for the Spring G.A.B. was "desafinado." It was carried out in an offbeat mood, with decorations having that "different" touch. The music was good and everyone enjoyed a wonderful evening.

"Isn't this a little big, Marsha"?

It Really Happen?

I think that I shall never see a poem as lovely as a tree.

Well, eat it you dummy,
just don't stand there!

Don't just stand there stupid, open the door!

Why can't we sell skunks for the Sophomore class?

Now look Marcia, the next time you . . .

MAD HATTER DAY

This year's Mad Hatter's Day was certainly a high spirited event. Everyone participated in the making and wearing of hats. It was a day fully enjoyed by all.

WHATEVER HAPPENED HERE?

Whoops!

Our beloved runway here at old S.L.H.S.!

He's cute, but isn't he a little old?

Yes, girls, G.A.A. can really do wonders for you. Just see what its done for these three Seniors.

Marleen, wouldn't it help if you would look when you shoot? 145

PASTEL BLUES

What's the matter, Jean and Ron, can't you decide what kind of dance to do?

The Sophomores have certainly worked hard this year raising money for their class and promoting school spirit. The Sophomore Hop was no exception. The kids worked real hard to make the dance a success. They even created a bubble machine!

Everyone joined in the dancing and had a great time.

Sophomores came out in full force to support their class.

"THE BELLS ARE RINGING"

Sandor, played by Tom DeLong, is organizing the Titanic Record Corp. which is really only a front for a bookie ring.

This year's Spring Musical, "The Bells are Ringing," was a terrific success. Everyone who took a part in the show put in many long hours of preparation. In the story, Ella Peterson, a pretty, young telephone operator, who works at her cousin's answering service, falls in love with a playwright whom she has never seen before. "The Bells are Ringing" is the warm and tender story of how she finally meets this man of her dreams and marries him.

Ella tries to picture "What Does He Look Like" as she dances with four dream men, one of which might be the character of the man she loves.

Ella visits one of her subscribers and gives him a tip that changes his whole life.

I would like to take this opportunity to thank all the people whose assistance has made this yearbook possible.

Many thanks to Kee Coleman, Bordanaro and Zarcone, for their fine photography; Mr. Robert Ozias of Lederer, Street and Zeus, and Mr. Terry Sweeney of California Art and Engraving Company for their assistance in the general organization of our book, to the physical education department for their time, and all teachers and counselors for their cooperation on picture days, and to our advertisers for their part in our book.

A special thank-you and sincere appreciation to our advisors, Mrs. Barbara Brown, and Mr. John Crabbe, for their untiring effort in the production of the book, and to the staff for their effort and cooperation. On behalf of the staff, I would like to present this book to you, the Student Body of San Leandro High School.
